

Alstonville High School Uniforms

Rationale

The wearing of school uniforms promotes a sense of belonging for students and a positive identity for them across our local community.

School uniforms also contribute to the personal safety of students by allowing easier recognition of students inside the school and offsite.

Our P&C in consultation with students and staff, have designed a uniform that is affordable, comfortable, made from easy-care fabrics, appropriate for activity and suitable for all body shapes.

Our students are expected to wear school uniform during school hours, while travelling to and from school, and when engaged in school activities away from school grounds.

Junior Uniform - Tops
