

Screen Futures Expo

Pathways to Film and TV Careers

With the Northern Rivers growing as a TV/film locality the Screen Futures Expo was a fantastic opportunity for our students to be inspired by industry professionals. High profile industry employers, technicians and creative professionals created a panel for the morning, where it was filmed live. Students were encouraged to ask questions of the panel and the education providers that were also present on the day (SCU, SAE, TAFE).

Upcoming Events

Jun 22	Junior reports distributed
Jun 23	Trivia Night Year 12 Fundraiser 5.30pm for 6pm start AHS hall

ALSTONVILLE HIGH SCHOOL

TERM 2 WEEK 10

This year, senior students requested more indoor study spaces. We have now completed the setup of 2 functional and attractive rooms for timetabled study periods. Seniors may also utilise these spaces on Wednesdays, should they wish to study at school mid-week.

Modern and Ancient History Excursion

Year 12 Modern and Ancient students travelled to Sydney to engage in a series of lectures on their HSC History topics. The trip was jam packed with a full itinerary. We attended the lectures on Friday and Saturday, followed by a visit to China Town and Darling Harbour. At the Museum we saw the model of the city of Pompeii in Lego and some amazing CT images of mummies. Next to Sydney Uni and Newtown for a spot of shopping and sampling amazing food delights. It was an amazing excursion which saw students enjoy themselves and experience the life of a university student.

We had a special visit from local Bundjalung artist Kylie Caldwell who is well known in the Bundjalung community for her amazing weaving creations and Art.

Our young Aboriginal women had the honour of learning the Bundjalung weave, and had a deadly session! We definitely have some natural talent among us. The girls loved the afternoon peacefully weaving away.

Food Technology
Alstonville High School Food Technology students have been cooking up a feast in the past semester. Bon appetit!

Year 12 Alstonville High School student, Chelsea McInnes, was a finalist in the School Based Trainee category and we are proud to say "Chelsea won!"
Currently Chelsea is completing Certificate 2 Hospitality through School and is a valued staff member at the Trident Fish & Grill. Chelsea will now go on to the State Awards.
