TERM 3 WEEK 3

## Careers Message for Year 10 to 11 Subject Selection

Can parents/carers of Year 10 please check an email message sent out to all families on July 20 that has digital copies of subject selection information and important dates.

### Key Dates:

**Week 1, July 13** - hard copies of subject selection booklets handed to students.

**Week 2, July 20** - Email to families of digital information. TAFE TVET courses open and applications will close

**September 3.** See Careers Adviser for an application.

**Weeks 2 & 3** - Year 10 Careers classes online subject selection activities and students researching subjects using information from booklets, school website platforms, faculty teachers, families, senior students and Careers Adviser.

**Week 4, August 3** - Student subject selection HT interviews for 15-20 mins all day. No Year 10 classes on this day. No parents to attend.

**August 6** - Final date for students to register their subject choices

Good luck with your conversations and research and I will be available for consultation throughout the process of planning for 2022.

*Karen Horne Careers Adviser*

Year 7 classes have moved into our Academic Merit structure for their core subjects, with the top performing English, maths, science and HSIE students in AM classes and other students in mixed ability groups.

All AM classes, 7-10 will be reviewed at the end and the middle of each year to maintain a competitive environment.

We have moved to a reverse integration model for our MC students, who now study their core subjects in their own classroom, with learning programs dedicated to their individual needs.

Our Distance Education Project (DE Hub) got underway this week, set up for students to re-engage with their learning in a small group setting.

*Mrs Sandra Rosner (Principal)*

## Year 12 Trivia Night Fundraiser

In the last week of Term 2 Year 12 conducted a Trivia Night; much fun was had by all attendees. Terrific prizes were donated by many local businesses. Several tables dressed up in order to compete for Best-Dressed Table/Individual. We had butterflies, tradies, 80's and other funky outfits. It was a very successful evening.

*Jenn Wilson*

*Year 12 Adviser*

## TAS

NAIDOC Week saw our Hospitality class help cater for light refreshments. They did a marvellous job and made all our lovely visitors most welcome.

In the classroom for NAIDOC we have continued to encourage the learning of culture in our lessons. In Food Technology we have been learning about "Bush Tucker" this week's practical was kangaroo. All students have now tasted this high protein, low fat meat. They were most impressed by its rich delicious flavour.

In Textiles Technology we have been exploring the art and heritage of Aboriginal dot painting with students exploring the method and creating a sample. They now move on to painting this onto a reusable carry bag. This unit is also encouraging sustainability and focusing on "plastic free" July.

## CHS State KO Tennis Opens

AHS team of four tennis players travelled to Mullumbimby to play Mullumbimby High in the 3<sup>rd</sup> round. Congratulations to the team on their excellent effort, sportsmanship and their behaviour was excellent. The girls had strong results in the first two rounds and unfortunately the Mullumbimby opposition were too good for them this round.

*Deb Barron*

## CHS State KO Netball Opens

The 2<sup>nd</sup> round at home and the third round at Maclean.

The team had an excellent game at both venues, succeeding with a win at home and a thrilling game at Maclean. They were only defeated in the fourth quarter at Maclean. An impressive level of movement skills in both games.
